*Tasting
Notes*

MR BLANC
boasts aromas
reminiscent of Golden apple,
lemon curd, warm honeycomb and hints
of freshly cut lilies. Pronounced flavors of
pressed pear, Musk melon and lime zest
envelope the palate, while layers of
ginger tea linger on the finish. Enjoy
with an array of cuisine.

WINEMAKING

Aiming to preserve the intense fruit and aromatics of the variety, the Marsanne, Roussanne and Viognier were fermented and aged in 100% stainless steel. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Following juice settling, a long, cold fermentation commenced. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp. Approachable, food friendly and polished.

Composition: 14% alcohol
53% Roussanne, 25% Marsanne, 1,040 cases produced
22% Viognier

CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils.

Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
