

CASS | WINERY

Oasis Rosé 2019

Tasting Notes

Aromas of Ruby red grapefruit and candied watermelon rise from the glass. Notes of spiced peach, tart cherry and white rose petals intermingle amongst a bright acidity keeping the palate light and refreshing. Expressions of wild strawberry and cinnamon stick essence are abundant while a creamy orange sherbet lingers.

Juicy Acidity,
Structured and
Refreshing

WINEMAKING

Our winemaker uses direct press method to produce this Provençal style, dry Rosé. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp.

2019

PASO ROBLES

Oasis

ESTATE GROWN ROSÉ WINE

ALCOHOL 12.5% BY VOLUME

Composition:
63% Mourvèdre
37% Grenache

Alcohol: 12.5%
Production: 1,200 cases

CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils.

Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
